Craftsmanship

At Verona Rubinetterie Milano, craftsmanship is at the heart of our production. Our skilled artisans, with over 20 years of experience, use advanced CNC equipment and high-precision tools to ensure every product is crafted to perfection. We maintain tight control over dimensional accuracy, with a tolerance of just 0.02mm, ensuring each piece meets our high standards for quality and efficiency.

In Verona Rubinetterie Milano, l'artigianalità è al centro della nostra produzione. I nostri abili artigiani, con oltre 20 anni di esperienza, utilizzano attrezzature CNC avanzate e strumenti di alta precisione per garantire che ogni prodotto sia realizzato alla perfezione. Manteniamo un controllo rigoroso sull'accuratezza dimensionale, con una tolleranza di soli 0,02 mm, assicurando che ogni pezzo soddisfi i nostri elevati standard di qualità ed efficienza.

Strict Selection of Materials

At Verona Rubinetterie Milano, we prioritize the strict selection of materials. Our copper casting products are made from international standard copper, with a content of 58%-62%, ensuring corrosion resistance, high-temperature and high-pressure durability, and long-lasting brightness. We use lead-free copper to prevent water pollution and guarantee healthy water quality.

In Verona Rubinetterie Milano, diamo priorità alla rigorosa selezione dei materiali. I nostri prodotti in fusione di rame sono realizzati in rame standard internazionale, con un contenuto del 58%-62%, garantendo resistenza alla corrosione, durabilità ad alte temperature e alte pressioni e una lucentezza duratura. Utilizziamo rame privo di piombo per prevenire l'inquinamento dell'acqua e garantire una qualità dell'acqua salubre.

Quality Management

Verona Rubinetterie Milano prioritizes quality in every product. Our quality management process, overseen by expert inspectors, ensures excellence in design, appearance, and performance, meeting the highest standards and exceeding customer expectations.

Verona Rubinetterie Milano dà priorità alla qualità in ogni prodotto. Il nostro processo di gestione della qualità, supervisionato da ispettori esperti, garantisce l'eccellenza nel design, nell'aspetto e nelle prestazioni, soddisfacendo gli standard più elevati e superando le aspettative dei clienti.

Design Proofing

Design proofing is a critical phase in the development of our products at Verona Rubinetterie Milano. This process involves a meticulous evaluation of the design, ensuring that it meets our stringent standards for aesthetics, functionality, and durability. After the initial design is registered and revised, it undergoes a series of tests to refine its structure and optimize its performance. We employ advanced technologies and techniques, such as computer-aided design (CAD) and 3D modeling, to simulate real-world conditions and make necessary adjustments. This attention to detail ensures that each product not only looks beautiful but also performs flawlessly in your home.

Il controllo del design è una fase critica nello sviluppo dei nostri prodotti presso Verona Rubinetterie Milano. Questo processo prevede una valutazione meticolosa del design, assicurando che soddisfi i nostri rigorosi standard estetici, funzionali e di durata. Dopo che il design iniziale è registrato e rivisto, esso subisce una serie di test per affinare la sua struttura e ottimizzare le sue prestazioni. Impieghiamo tecnologie e tecniche avanzate, come la progettazione assistita da computer (CAD) e la modellazione 3D, per simulare le condizioni del mondo reale e apportare le necessarie modifiche. Questa attenzione ai dettagli garantisce che ogni prodotto non solo appaia bello ma funzioni anche perfettamente nella vostra casa.

Crafted Excellence

At Verona Rubinetterie Milano, we pride ourselves on our attention to detail and commitment to quality. Our products are the result of meticulous craftsmanship, where every aspect is carefully considered and executed. From the choice of materials to the precision of our designs, we ensure that each piece meets our high standards of excellence. Our dedication to excellence extends to our customer service, where we strive to provide a seamless experience from start to finish. Whether you're choosing a new faucet for your bathroom or a complete set for your home, our team is here to assist you every step of the way. Experience the difference that crafted excellence can make in your home with Verona Rubinetterie Milano. Our products are not just fixtures; they are a statement of style, quality, and sophistication.

In Verona Rubinetterie Milano, siamo orgogliosi della nostra attenzione ai dettagli e del nostro impegno per la qualità. I nostri prodotti sono il risultato di una meticolosa maestria artigianale, dove ogni aspetto è attentamente considerato ed eseguito. Dalla scelta dei materiali alla precisione dei nostri disegni, ci assicuriamo che ogni pezzo soddisfi i nostri elevati standard di eccellenza.
